## Guardian Angel

~Guardian Angel~

><br>Even under this mask  
><br>I can still see  
><br>How hopeful and brave  
><br>You can really be  
><br>But your still so young  
><br>Though you've grown up it's true  
><br>But your still just a child  
><br>And you need protection too  
><br>I'll always be with you  
><br>When you need me there  
><br>But you need to remember  
><br>That I'm not the only one who cares  
><br>You have your big brother  
><br>And some very good friends  
><br>So I'm not the only one  
><br>Who'll stick by you till the end  
><br>But know that I'll be there  
><br>That I'll always be around  
><br>To cheer you up  
><br>Whenever your down  
><br>To protect you  
><br>Because that is job  
><br>And to comfort you  
><br>Whenever you sob  
><br>All of this is true  
><br>And I hope that you see  
><br>That your guardian angel  
><br>I will always be.

End  
file.
